SELF CLEANING
CONDENSER

Exclusive Features

Double augers for Better mix

Total cold system

"Seal-Less" drive shaft system which eliminates mandatory preventive maintenance

Electronic system, density control and auto diagnostic

Equipped with automatic cleaning and sanitizing valves

Exclusive customization with Led Backlit light panel

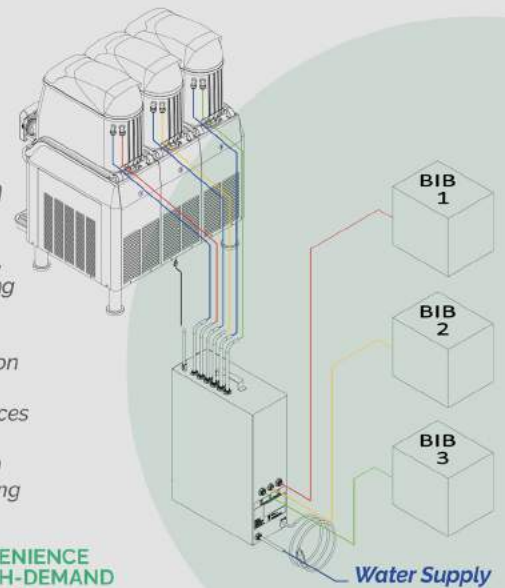

Elmeco First Class is available in two different color and it is possible to customize with your logo, graphics or advertising messages.

The addition of the **LED backlight panel** allows for complete customisation and a fresher, more appealing look.

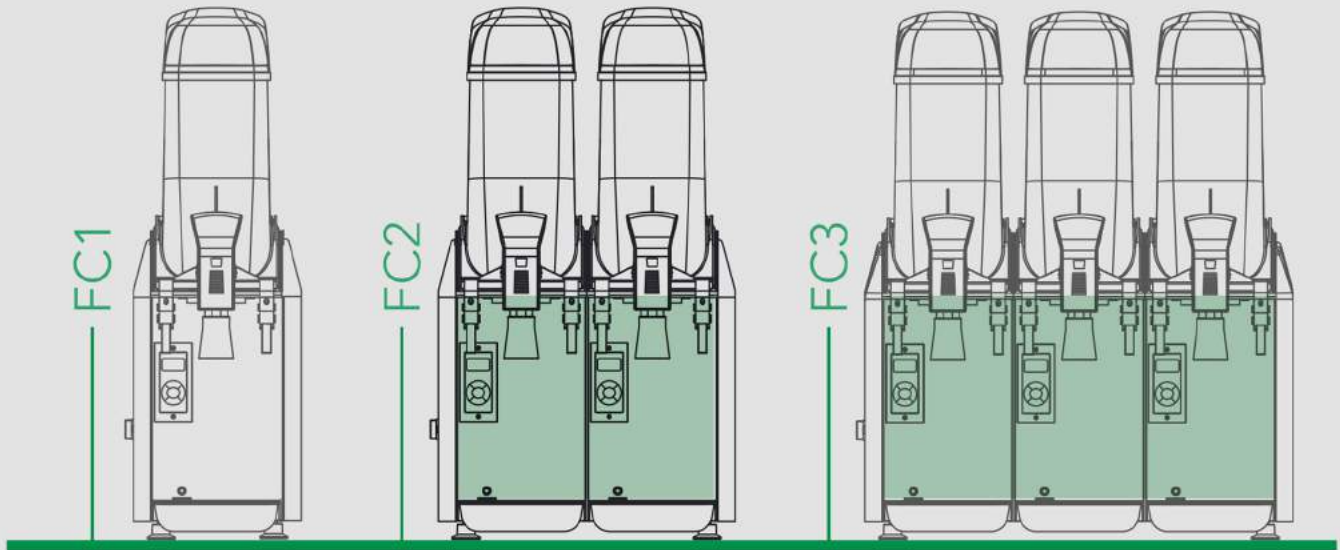

Refill system. Maximize your output production

Elmeco Refill is a handy bag-in-box auto-fill system, easy to set up on the existing machines (FC2 and FC3). This additional equipment maximizes output production by keeping machine bowls full at all times and reinforces merchandizing effect. Eliminates potential human errors in process of premixing water and syrup.

 IDEAL FOR CONVENIENCE STORES AND HIGH-DEMAND BEVERAGE SERVICE

○ ● COLOURS AVAILABLE
