Product Specification

Model: X8-08Y

Voltage / Frequency: 220V ~ 50/60Hz

Power: 1500w

Speed: 22000RPM

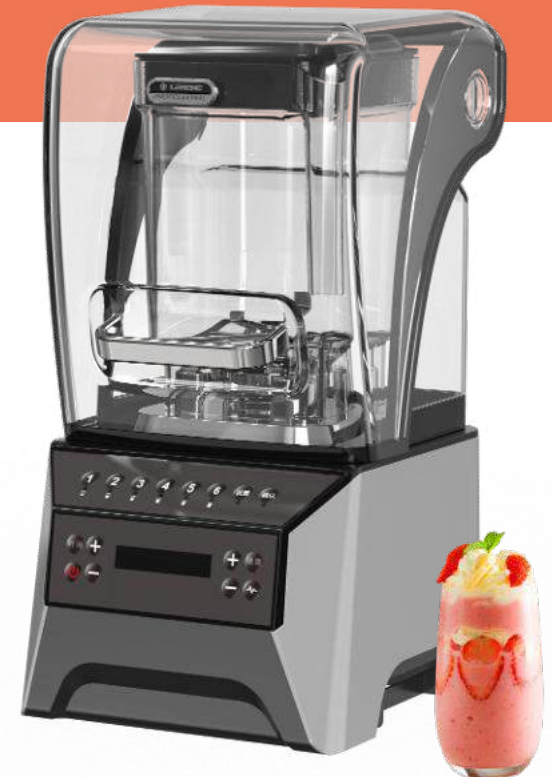

Speed Lever: 1-10 level

N.W: 11.5kg

Cup Max Capacity: 2000ml

Product Size: 220*280*440mm
(With Soundproof Cover)

Preset Program: 6

3 Seconds to Break Ice.
10 Seconds to Silky Slush

Efficient Ice Break / Instant Blend / Icy Delight

6 Preset Programs.

Simple, Responsive, Faster

6 Preset Program Buttons

10 Adjustable Levels per Button

Total Control for Blending & Ice Crushing

Flow-Around Design for Full Contact More Ingredients, More Even Results

Optimized Flow Circulation

Balanced Results with Improved Blending Power

Boosted Mixing & Whipping Efficiency

High-Power Blending Performance Ultra-Fine Texture, Exceptionally Smooth

Advanced blending delivers a fine, pulp-free texture
with rich, smooth flavor

1 minute reaches 22,000 RPM

A circular inset image showing a vibrant pink smoothie in a glass, topped with fresh raspberries and blackberries. The smoothie has a thick, frothy texture.

Pure Copper AC Motor
Powering Fast, Easy Beverage Production

A circular inset image showing a tall glass filled with an orange and mango smoothie. The drink is topped with a layer of white cream and fresh fruit chunks. An orange slice and a piece of mango are visible next to the glass.

Pure Copper AC Motor
Powerful, Efficient, Effortless Processing

Built-in Cooling Fan
Efficient Heat Dissipation

Pure Copper Direct Drive
Reliable Performance

9mm Double-Layer Soundproof Cover Stops the Noise. Keeps the Peace.

9mm Double-Layer Thickened Soundproof Cover
with Dual Silicone Sealing Design
Only 75 dB During Operation

Lower Sound Less Noise

More Details

Cooling Module

Efficient Heat Dissipation
Longer Equipment Lifespan

Mushroom Head

Fiber-Reinforced Nylon
Wrapped in Stainless Steel
Built for Stable Performance

Dual Thickened Blunt Blades

Built to Keep Its Shape
Easy to Clean, Safe to Handle

One Machine Multiple Uses

Versatile Performance for Every Beverage

From Slushies to Smoothies

All in One. Fast and Flavorful.

Slushies
